Made a login ui in flutter

[Portfolio Website for AtGlance Mannequins ↗](#)

Jan 2026 - Present

atGlance is a retail display solutions brand focused on providing high-quality mannequins and store fixtures designed to enhance visual merchandising and improve in-store customer engagement.

The project aims to support fashion retailers, boutiques, and commercial showrooms by offering aesthetically designed mannequins that improve product presentation and brand appearance.

The platform also integrates digital business presence, including Google Business optimization, WhatsApp inquiry automation, and social media branding to drive B2B sales and lead generation
